

T-Plus: A Twitter Plug-In for the Chrome Browser

Teng Siong Ong
Fangzhou Yao
Karl Cheung
Esfar Huq
Na Lee
Sang Uk Kim
Michael Wlodarz
Aman Agarwal

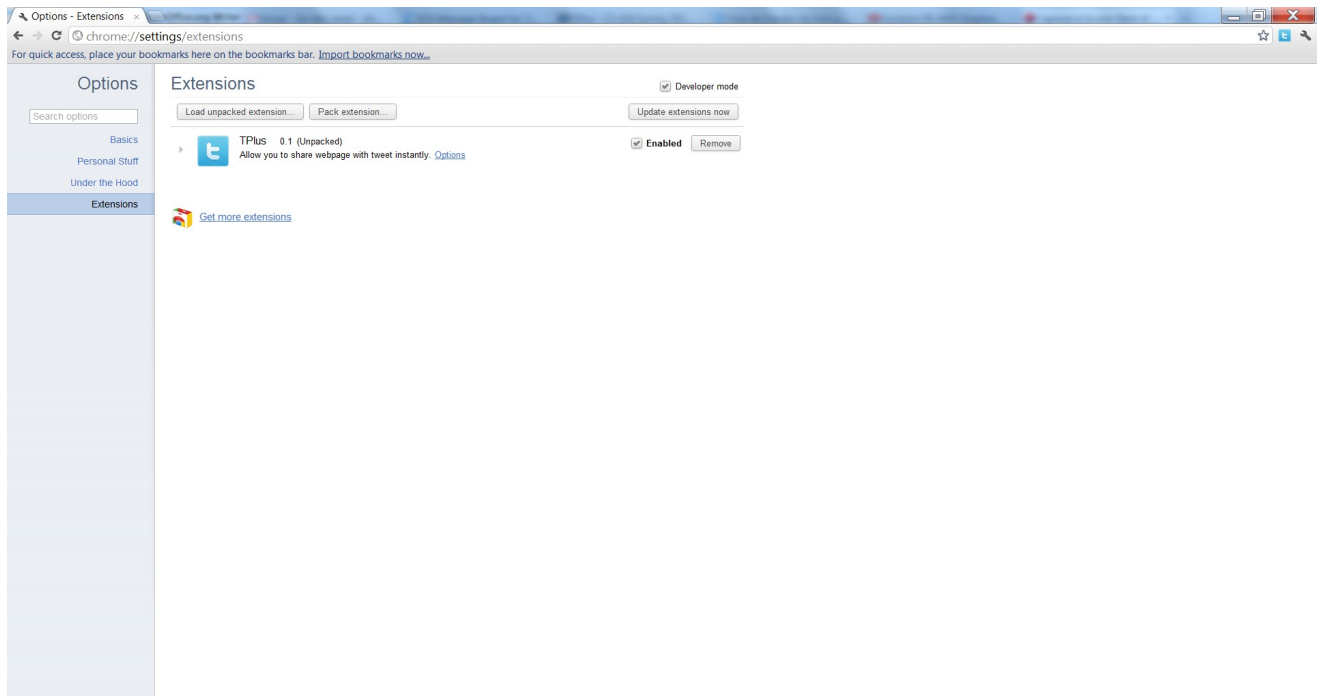

1. To install the plug-in, open the Chrome browser and visit: `chrome://settings/extensions`

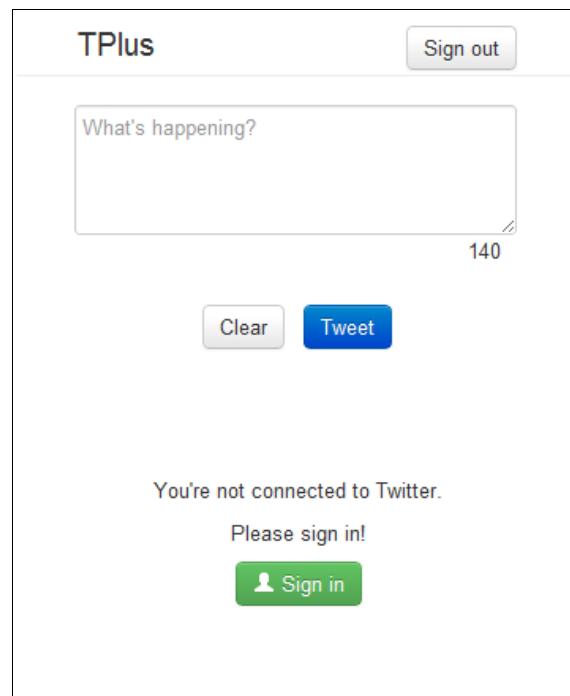

2. Choose the “Load unpacked extension” option and navigate to the install files:

3. The plug-in should now be visible in the Chrome browser:

4. Select the Twitter icon to open the plug-in:

5. Once you are signed in, you may type Tweets and have them posted on your Twitter account:
